Welcome

Thank you for choosing Vero Insurance New Zealand Limited to provide you with your insurance cover.

Arranging insurance means *you* are making a legal contract under which *you* promise to meet certain obligations and conditions, and in return *we* promise to provide specified insurance cover.

The obligations, memoranda, warranties, exclusions, extensions and conditions in this contract are subject to *your* rights under the Insurance Law Reform Acts 1977 and 1985.

Words shown in *italics* are words that have had their meaning defined. These meanings are found under the general definitions, in a section or in the *schedule* of this policy. Any word or expression to which a specific meaning has been given will have the same meaning wherever it appears.

Please examine this document, including the *schedule*, to ensure the insurance protection is in accordance with *your* requirements. If it does not meet *your* requirements, or *you* wish to make changes to the insurance cover, please contact *your* insurance broker, adviser or *your* nearest Vero office.

Introduction

Insurance contract

In consideration of *you* having paid or promised to pay the required premium we agree to indemnify *you* in the manner and to the extent set out in the applicable parts of this policy.

The insurance contract consists of any statements on which this insurance is based, *your* proposal, the applicable parts of this policy, and the *schedule*.

General obligations

These are the general obligations that apply to all parts of this policy. In addition, there are specific obligations, conditions, memoranda or warranties set out in the different sections of this policy. *You* must comply with all the obligations, memoranda, conditions or warranties of this policy. If *you* do not in some instances *your* claim will not be paid.

Some parts of this policy may cover other people or companies or entities as well as *you*. To gain the benefit of any cover under this policy they must meet all the same conditions and obligations *you* are required to meet.

To disclose material information

You must advise *us* of all *material information* before inception of the policy and before each renewal or variation of the policy. Failure to do so entitles *us* to avoid the policy.

Material information includes any information which might influence the decision we make as to whether or not to provide insurance and if so on what terms and at what premium.

If circumstances change

1. *You* must *notify us* immediately of any change in circumstances that has happened after the start of this

policy or that *you* know is going to happen and which may increase:

- (a) the amount of the risk; or
 - (b) the risk of loss, *damage*, liability, *disablement*; or
 - (c) the risk of insuring *you*.
2. If *you* do *notify us* of a change we may alter the premium and/or the terms of this contract.
 3. If *you* do not comply with this obligation any loss, *damage*, liability or *disablement* that happens after the date of the change in circumstance may not then be insured and we may not continue to insure *you*.

To provide accurate information

You must make sure all statements made to *us* are in every respect correct and complete.

To avoid loss, damage or liability

If *you* are insured with *us* then *you* must take all reasonable care at all times to:

- (a) make sure all property covered by this insurance is kept safe and protected from possible loss or *damage*;
- (b) maintain any protective devices, including but not limited to sprinkler systems and alarms, in an operational condition;
- (c) avoid any loss, *damage* or *injury* for which *you* could be held legally liable.

You must not intentionally or recklessly cause loss or *damage* to any property covered by this policy or for which *you* could be held legally liable.

You must not allow anyone else to cause loss, *damage*, *injury*, or do anything for which *you* could be held legally liable.

You must comply with all legal requirements imposed by any government or public authority for the safety of people or property.

You must comply at *your* expense with all reasonable recommendations we give *you* to prevent loss or *damage* to *your* property *you* have insured or to prevent loss or *damage* for which *you* could be held legally liable.

What you need to know about making a claim

These general claims conditions apply to all parts of this policy. In addition, there may be specific claims conditions set out in the different sections of this policy.

As soon as *you* are aware of any event, circumstance or *occurrence* that is likely to result in a claim under this policy:

You must:

- (a) *notify us* immediately;
- (b) lay a complaint with the Police if *you* suspect burglary, theft, arson or intentional *damage*;
- (c) take prompt steps to minimise the loss, *damage* or liability and avoid any further loss, *damage* or liability; and
- (d) take reasonable steps to obtain details of any other person, property or vehicle involved and any witnesses.

You must not:

Introduction

continued

- (a) dispose of or abandon any property for which *you* intend to make a claim;
- (b) start any repairs without *our* permission unless it is necessary to prevent further loss, *damage* or liability;
- (c) admit responsibility for any loss, *damage* or liability; or
- (d) make or give any admission (of fault or fact), offer, promise, payment or indemnity or say or do anything that prejudices *our* ability to defend, negotiate or settle any claim made against *you* or make recovery for the loss or *damage* from any other person who may be responsible for it;

whether or not any such action or statement is ultimately relied upon in determining any issue of liability.

If you wish to make a claim on this policy

You must then:

1. fully complete *our* claim form as soon as practical;
2. give *us* free access to examine and assess any loss, *damage* or liability;
3. provide any other information or assistance *we* reasonably request in relation to *your* claim;
4. forward any letter of demand or court documents to *us* immediately;
5. if *we* request it provide a statutory declaration to verify the loss, *damage* or liability;
6. if *we* request it attend interviews with any person *we* nominate; and

7. unless *we* are deducting it from any claim settlement to *you* be responsible for the payment of the excess to *us* or to the repairer.

After you have made a claim

After *you* have made a claim on this policy *we* have the sole right to act in *your* name and on *your* behalf to negotiate, defend or settle any action against *you*. If *we* do this it will be at *our* expense, except in relation to any excess that applies.

After your claim is accepted

After *we* have paid a claim or accepted liability for a claim on this policy either in whole or in part *we* have the right to take over in full any legal right of recovery or indemnity that *you* have. If *we* do this *we* may exercise these rights for *our* own benefit at *our* own expense and *you* must co-operate with *us* in all respects to allow *us* to do anything reasonably necessary to enforce that right. If *you* do not co-operate with *us* *you* must repay any amounts *we* have paid to *you* or any other party in respect of *your* claim.

You must not voluntarily and knowingly release any third party from liability arising from loss or *damage* insured by this policy unless first declared to and accepted by *us*.

If any lost or stolen property for which *we* have paid a claim is later found or recovered *you* must:

- (a) tell *us* immediately; and
- (b) if *we* request, hand the property over to *us*.

We have the right to keep any property, including any proceeds from its sale, for which *we* have paid

a claim under this policy subject to adjustment if *you* have not been fully indemnified for *your* loss.

If any person is ordered to make or otherwise makes *reparation* to *you* for loss or *damage* to any property for which *we* have paid a claim under this policy *you* must reimburse *us* for that payment as soon as any *reparation* is made, subject to adjustment if *you* have not been fully indemnified.

If you don't agree with our claim decision

If *you* do not agree with *our* decision on *your* claim then *you* should ring *your* adviser *your* agent *your* broker or *our* branch office. If *you* are still not happy and believe *our* decision is incorrect *you* can ring *our* Head Office on 0800 835 548 or write to *us* at Private Bag 92 120 Auckland.

General conditions

These general conditions apply to all parts of this policy. In addition, there are specific conditions set out in the different sections of this policy.

1. Breach of condition

If *you* or any *insured* under this policy breaches any condition in this policy all benefits under this policy will be forfeited. However, nothing in this policy affects *our* common law rights, including *our* right to avoid the policy for non-disclosure.

2. Cancellation by us

We may cancel this policy at any time by sending a letter, facsimile or e-mail to *you* at *your* last postal address, facsimile number or e-mail address on *our* records. The cancellation will take effect at 4 pm on the 14th day after the letter facsimile or e-mail has been sent. In the event of such cancellation we will refund to *you* a pro rata proportion of the premium (subject to any adjustment required by the terms of this policy).

3. Cancellation by you

You may cancel this policy at any time, and with immediate effect, by written notice delivered to *us* or by facsimile transmission or e-mail. In the event of such cancellation, we will be entitled to a pro rata proportion of the premium (subject to any adjustment required by the terms of this policy) for the time during which the policy has been in force.

4. Change of terms

In the following circumstances, we may change the terms of this policy (including the *excess*) during the *period of insurance*:

- (a) we are no longer able to obtain or retain full reinsurance protection from *natural disaster* events covered by this policy on terms acceptable to us; or
- (b) in response to a material change to relevant law; or
- (c) to increase cover or add new cover; or
- (d) to allow for a material change in the risk profile of a group of similar policy holders (or similar *insured property*) that will not be commercially sustainable for *us* under current policy terms.

We may change the terms by sending a letter, facsimile, or e-mail advising *you* of this to *you* at *your* last known postal address, facsimile number, or e-mail address, or to *your* insurance adviser. The change or changes will take effect at 4.00pm on the 30th day after the communication has been sent.

If *you* are not happy with the change of terms, *you* may terminate the policy on 14 days' notice. We will refund any unused premium.

5. Correctness of statements and fraud

All statements made by *you* or on *your* behalf either in the application or otherwise in support of this policy or any claim must be correct in all respects. If any claim under this policy is supported by any incorrect

information or statement or is in any respect fraudulent, then *your* claim is not payable and this entire policy automatically terminates from the date that the incorrect statement or fraudulent claim was made to *us*.

6. Goods and services tax

Provided that goods and services tax (GST) is recoverable by *us*, the sum or sums insured by this policy are exclusive of GST to the extent that, in the event of a claim, we will pay a maximum of the sum insured plus additional GST to a maximum of the current rate of GST applied to that sum insured.

However, the *agreed value* under the commercial motor section is GST inclusive.

7. Headings

Where headings or margin references are used in this policy they are purely descriptive in nature and are not to be used for interpretative purposes.

8. Instalment premiums

Where we have agreed to accept payment of premium by instalments:

- (a) in the event of a claim being made against the policy we reserve the right to require immediate payment of the balance of any annual premium; and
- (b) all benefits under this policy will be forfeited from the date the first unpaid instalment was due and *your* policy automatically cancelled if any premium instalment remains unpaid for 28 days.

Where any instalment is overdue but the policy has not been cancelled,

Introduction

continued

all benefits under this policy will be suspended from the date the first unpaid instalment was due until the date we receive all the overdue premiums.

9. Joint insurance

Except in respect of the Employers Liability and the Statutory Liability sections of this policy if there is more than one *insured* named in the *schedule* this policy insures the *insureds* jointly. This means that if one of *you* does or fails to do anything so that there is no cover there will be no cover for any of *you*, not just the person or *entity* responsible.

10. New Zealand law

This policy is governed by New Zealand law and New Zealand courts have exclusive jurisdiction over any legal proceedings about it. When this policy mentions an Act of New Zealand Parliament, this includes any substitution, amendment, or replacement of the Act. If the Act has been repealed and there is no substitution or replacement, we mean any part of an Act with substantially the same purpose and function. It includes the regulations under the Act.

11. Observance of terms and conditions

The due observance and fulfilment of the terms and conditions of this policy by *you* in so far as they relate to anything to be done or complied with by *you*, and the correctness of any statements made to *us* (whether made by *you* or not), are conditions precedent to any liability we may have to provide any indemnity under this policy.

12. Other insurance

If, at the time of any claim arising under this policy, there is any other valid and collectable insurance covering all or part of the same loss or liability this policy will apply only to the amount of any loss or liability in excess of that recoverable under the other insurance.

This condition does not apply to the personal income section of this policy except as specified in that section.

13. Recovery apportionment

If in exercising our rights of subrogation, we recover all or any part of a loss for which a claim has been paid or is payable under this policy the amount of the recovery will be shared between *you* and *us* in the following manner:

- (a) Excluding the excess applicable, *you* will be fully reimbursed for any uninsured portion of the loss.
- (b) The remaining amount after the application of (a) above will be shared between *you* and *us* in the ratio of their respective losses; the loss to *you* being that portion of the loss which is uninsured by reason of the excess, and the loss to *us* being the amount of our actual payment under this policy.

The expenses of all of the recovery effort will be borne in the ratio of the respective recoveries. If no recovery is made then the costs will be for *our* account.

Notwithstanding anything in the excess clause, no account will be taken of any subrogated recoveries in establishing the amount of the adjusted loss to which the excess applies.

14. Renewal terms

If we intend to refuse renewal of this policy, or to offer renewal on any terms less favourable *you* or *your* insurance broker than those applying during the current *period of insurance*, we must give *you* or *your* broker notice of that intention not less than 15 days before the expiry of the current *period of insurance*. If the notice is not received by that time, we will, if so required by *you* or *your* insurance broker, extend the current *period of insurance* so that it will expire not less than 15 days after the notice provided. *You* undertake to pay a pro-rata proportion of the annual premium for the period of any such extension.

15. Sanctions

This policy will not provide cover, nor will we be liable to pay any claim or provide any benefit hereunder, to the extent that the provision of such cover, payment of such claim or provision of such benefit is prohibited by any sanction, prohibition or restriction under the laws or regulations of any jurisdiction applicable to *us* or *our* parent company or its ultimate controlling entity.

16. Terms, exclusions and conditions

In all cases "The Indemnity" in each section is subject to all the terms, exclusions and conditions of the relevant section, and all the general obligations, general exclusions and general conditions of this policy.

Material damage

The indemnity

We will indemnify you for damage to any of the *insured property* occurring during the *period of insurance*.

You will be indemnified by payment or, at our option, by repair or by replacement of the lost or *damaged* property.

Subject to the reinstatement of amount of insurance extension, our liability will not exceed the total sum insured; and where sums insured have been declared to us or included on the *schedule* for more than one *situation*, item and/or category of *insured property*, our liability will not exceed in respect of each *situation*, and each item or category of *insured property* at a *situation*, the applicable sum insured.

Automatic extensions

These automatic extensions form part of this material damage section and are subject to all its provisions (unless otherwise stated).

If there is any conflict or inconsistency between this material damage section and the extension, only the extension will apply. If there is any conflict or inconsistency between the extensions, only the more particular extension will apply.

1. Burglary

Notwithstanding exclusion 2 (b) (Criminal Acts & Disappearance) of this material damage section we will cover you for damage directly resulting from theft or any attempt at theft accompanied by:

- (a) violent and forcible entry to or exit from any enclosed building. The burglary excess shown in the *schedule* will apply to claims under this part of this extension; or
- (b) violence or threat of violence to persons. The standard excess shown in the *schedule* will apply to claims under this part of this extension; or
- (c) violent and forcible entry to or exit from a securely locked motor vehicle or storage container, being any fully enclosed:
 - (i) shipping container or similar; or
 - (ii) portable shed or similar structure; or
 - (iii) non-portable container, such as a metal or wooden container that has been built into or secured to a vehicle.

The burglary excess shown in the *schedule* will apply to claims under this part of this extension.

2. Capital additions

This section extends cover to property (including, but not limited to, alterations, additions and improvements to existing property) you acquire, during the *period of insurance*, situated anywhere in New Zealand.

This extension of cover does not apply to:

- (a) stock in trade;
- (b) property of any kind expressly excluded from this insurance; or

- (c) any appreciation of value that is not due to a physical alteration, addition or improvement.

Cover under this extension commences on each acquired property when the risk in the property passes to you.

You must notify us within 90-days of you acquiring the property or the physical works being completed.

Once you have notified us:

1. we may charge you additional premium; and
2. any increased value of the property will be added to your sum insured.

Our liability under this extension will not exceed the amount shown in the *schedule*.

The applicable limit stated in the *schedule* shall be in addition to the sum insured unless otherwise specified.

3. Change of temperature

Notwithstanding exclusion 6.2 (f) (Natural events & other processes) of this material damage section we will cover you for loss or damage during the *period of insurance* to *insured property* arising from a change in temperature. This includes reasonable costs incurred by you in the removal to and/or storage of such property at alternative premises.

We will not cover you for any change in temperature caused by mechanical or electrical or electronic breakdown of machinery or electrical equipment covered under the Machinery Breakdown section.

Material damage

continued

4. Demolition and other costs

We will cover you for costs necessarily incurred for any of the following purposes in consequence of *damage* insured under this material damage section:

- (a) demolition, dismantling, shoring up or propping of the *insured property*;
- (b) removal of *stock*, plant and other *contents* whether *damaged* or *undamaged*;
- (c) disposal of debris (including any kind of solid, liquid or gaseous matter) from the site of the *insured property damaged* and the area immediately adjacent to such site.

Our liability in respect of any one event will not exceed the special limit shown in the *schedule*. If no such limit is shown the costs will be included within the sum insured on the affected property.

The cover provided under this extension does not include any amounts you become legally liable to pay by way of compensation or other *damages* resulting from pollution or contamination of property by any of the debris.

5. Electric motors

Notwithstanding exclusion 3(b) (Damage to Machinery) of this material damage section we will cover you for *damage* to:

- (a) electric motors and starters that do not individually exceed 5 kw; and
- (b) distribution switchboards and permanently installed electrical reticulation;

directly caused by failure of electrical insulation, or abnormal electric current, or electrically induced self-heating.

6. Employees effects

This section extends the definition of *insured property* in respect of the item on *contents* to include the personal effects of your directors and employees, but only while the effects are at premises owned or occupied by you, or elsewhere while being worn, kept, carried or used by the directors or employees acting in the course of their duties or employment. The effects are deemed to be included in the description of *insured property* as if you owned them.

This extension of cover does not apply to loss or *damage* to the personal effects of any director or employee who is entitled to indemnity for that loss or *damage* under any other policy of insurance unless you are responsible for the loss or *damage*.

In respect of any one loss to any one director or employee under this extension we will pay up to whichever is less; the amount shown in the *schedule* or \$5,000. The indemnity provided by this extension will not increase our liability beyond the sum insured on the *contents* at the premises.

7. Expediting costs

Where a claim is payable under this material damage section for the cost of reinstating any *insured property* we will also cover you for such additional costs of express freight and overtime labour as are reasonably incurred for the purpose of expediting that *reinstatement*.

The indemnity provided by this extension will not increase our liability beyond the sum insured on the affected property.

8. Fire fighting equipment

We will pay for the reasonable costs you incur to replenish your portable hand-held fire fighting equipment after the equipment has been used to protect your *insured property* from *damage* covered under this material damage section, or immediate and imminent threat of *damage*, provided that the *damage* would be covered under this material damage section if it did occur.

Our liability under this extension will not exceed \$5,000 for any one period.

9. General average/salvage charges

When this material damage section applies to transit of *insured property* by coastal shipping between ports of New Zealand. We will cover you for general average and salvage charges payable according to Foreign Statement or to York Antwerp Rules if in accordance with any freight contract.

The excess will not apply.

10. Gradual damage

We will pay for *damage* to your insured *building* resulting from the action of *micro-organisms*, mould, mildew, rot, fungi or gradual deterioration, caused by water leaking or overflowing from any internal water system, if the loss or *damage* first occurs during the time that you own the insured *building*.

The limit includes the cost of searching for the source of the problem if it is reasonably incurred and we have

Material damage

continued

accepted a claim for the loss or *damage*.

An internal water system is any water pipe, waste disposal pipe, water cylinder or water storage tank which is permanently connected and contained within the walls, floors or roof of the structure and any pipe which is hidden from view that is connected to an appliance, such as a washing machine or dishwasher.

Our liability under this extension will not exceed \$5,000 for any one event and must be applied towards searching for and/or repair of the *damage*.

The *excess* will be the higher of \$500 or the standard *excess* shown on the *schedule*.

11. Landscaping

Provided that *your building* is insured with *us*, we will cover *you* for the costs *you* reasonably incur to repair or replace landscaping that has been *damaged* where we have accepted a claim under this material damage policy.

Our liability is limited to 5% of the individual building *sum insured* or \$20,000 whichever is the lesser amount.

12. Landslip

We will cover *you* for *damage* to any *insured property* directly or indirectly consequent upon:

- (a) landslip that is neither gradual nor progressive; and/or

but excluding:

- subsidence: and/or
- the expansion, settling, shrinkage, compaction or erosion of soil.

Our liability under this extension is limited to \$500,000 for any one event.

The *excess* under this extension will be \$15,000 unless a higher amount is shown in the *schedule*.

13. Subsidence

We will cover *you* for *damage* to any *insured property* directly or indirectly consequent upon:

- (a) subsidence that is neither gradual nor progressive, of land beneath or adjacent to the affected property: and/or
- (b) the movement (whether by way of sinking, collapsing, sliding or flowing) of ground:

but excluding:

- landslip;
- compaction or erosion of soil;
- the normal settling, expansion or shrinkage of any *building* or its foundations; and/or
- movement as a result of the water-table drying out from atmospheric or climatic conditions.

Our liability under this extension is limited to \$500,000 for any one event.

The *excess* under this extension will be \$15,000 unless a higher amount is shown in the *schedule*.

14. Money

Notwithstanding exclusion 7 (b) (Property) of this material damage section we will cover *you* for *money* as follows:

Section A

- (a) *money* in transit.

Notwithstanding exclusion 2 (b) (Criminal acts & disappearance) of this material damage section the cover provided by this extension includes loss of or *damage* to *money* directly resulting from:

- (a) theft accompanied by violence or threat of violence to persons. The standard *excess* shown in the *schedule* will apply to claims under this part of this extension;
- (b) theft of any other kind, not expressly excluded from cover under this extension. The burglary *excess* shown in the *schedule* will apply to claims under this part of this extension.

In addition, we will cover *you* for loss or *damage* to *money* directly caused by or resulting from any earthquake, hydrothermal activity, landslip, volcanic eruption, or subsidence or erosion of the land.

Material damage

continued

Additional exclusions

The cover provided by this extension is subject to the following additional exclusions:

- (a) loss due to errors in receiving or paying out;
- (b) loss or *damage* occurring while the *money* is entrusted to any person other than *you*, or any agent, or any *principal, employee* or any professional *money carrier*;
- (c) loss resulting from payment of *money* in exchange for any cheque that is subsequently dishonoured;
- (d) loss occurring while the *money* is in an unlocked and unattended vehicle;
- (e) loss directly resulting from theft or fraud by any of *your employees*. However this exclusion does not apply to loss discovered within 72 hours of the act of theft or fraud;
- (f) loss covered by a valid and collectable claim under a policy of fidelity guarantee (or equivalent) form of insurance.

Limits of liability

Our liability will not exceed \$10,000 under section A and \$2,500 under section B unless any alternative amounts are shown in the *schedule*.

However, if an additional special limit designated "Christmas carry" is shown in the *schedule* it will take the place of the section A money limit for the period 1 December to 5 January of the following year.

15. Other interests

We will cover *you* and any person or corporate body where *you* are under

an obligation to insure their interest in any of the *insured property*.

However:

- (a) we will not be liable to cover any person or corporate body whose interest has not been declared to us by the time indemnity becomes payable;
- (b) *our* liability to any other person or corporate body will be no better than any liability we have to *you*;
- (c) any such person or corporate body is not an *insured* under the policy and has no right to claim under the policy.

In the event that there was existing *damage to insured property* at the commencement of the *period of insurance* which has not been repaired, replaced or reinstated at the time of loss or *damage* covered by this section, the amount of that existing *damage* will be deducted from the total sum insured and from any sum insured declared to *us* or otherwise specified on the *schedule* in respect of that item or category of *insured property* at the *situation*, and the amount payable by *us* to indemnify *you* for the loss or *damage* will be reduced accordingly.

The amount of existing *damage* is to be calculated as the cost that would have been incurred to repair, replace or reinstate that existing *damage* if it had been repaired, replaced or reinstated by *you*.

This sum insured adjustment for existing *damage* will apply for all purposes of this material damage section and the automatic and additional extensions.

- (a) any payment made by us under this material damage section will be made to the *mortgagee* or *mortgagees* named in this policy in order of their respective priorities;
- (b) the *proprietor* will be liable to repay to us the amount paid by us to the *mortgagee* or *mortgagees* under this material damage section, and such payment will not reduce or discharge the liability of the *proprietor* as mortgagor;
- (c) where the amount paid by us equals the amount necessary to

repay a mortgage upon the unit or interest insured we will, in order to have secured the repayment by the *proprietor* to it of the amount so paid, be entitled to a transfer of that mortgage with interest apportioned at the date of transfer;

- (d) where the amount paid by us is less than the amount necessary to repay a mortgage upon the unit or interest insured we will, in order to have secured the repayment by the *proprietor* of the amount so paid, be entitled to require the *mortgagee* to transfer the mortgage jointly to the *mortgagee* and us to be held by both parties as *tenants* in common in shares bearing the same proportion to one another as the amount remaining unpaid to the *mortgagee* under the mortgage bears to the amount paid by us;
- (e) the insurance under this material damage section will not be liable to be brought into contribution with any other policy of insurance save another mortgage redemption insurance affected under section 137(1)(b) of the Unit Titles Act 2010 or any subsequent amendments and
- (f) we will only be obliged to indemnify the *proprietor* as set out in this extension if:

 - (ii) the principle policy has been properly terminated before the date of loss or *damage*.

Warranty

Notwithstanding the cover provided by this extension it is warranted that a separate policy providing full reinstatement cost protection is maintained in force at all times which will also cover the property as insured by this extension section.

Hothouses glasshouses and shadehouses MD006

We will not be liable for *damage* caused by or resulting from the action of the wind, rain, snow, frost, ice or hail to any *building* or the *contents* of them where the exterior cladding of such *building* is of flexible plastic material or glass.

Any other claim in respect of such cladding will be indemnity only.

Depreciation for flexible plastic material used for exterior cladding is based on a maximum five-year life span for the material.

Theft from locked vehicle – increased limit MD007

The automatic limit of \$10,000 is increased to the amount shown in the *schedule*.

Fire only MD018

The indemnity provided is restricted to *damage* to the *insured property* directly caused by fire.

Natural disaster extension MD021

This extension applies to those *situations*, items and/or categories of *insured property* that have a *natural disaster* sum insured shown on the *schedule*.

The word *damage* extends to include *natural disaster damage*. Exclusion 6.1 (c) (Natural events and other Processes) is consequently deleted.

Our liability in respect of *natural disaster damage* in any one *period of insurance* will not exceed the total sum insured for *natural disaster*, and where more than one *situation*, item and/or category of *insured property* is included on the *schedule* will not exceed in respect of each *situation*, item and/or category of *insured property* the applicable *natural disaster* sum insured.

The sum insured adjustment for existing *damage* provided for in condition 7 (Sum insured adjustment for existing damage) will apply to all sums insured for *natural disaster*.

In respect of each *situation* at which *insured property* is located each loss or series of losses arising out of:

- a) one event; or
- b) a series of events arising from one cause during any one period of 72 consecutive hours will be adjusted separately net of salvage and other recoveries.

From the adjusted loss within the coverage of the policy and within the sum insured for the *situation*, item and/or category of *insured property*, we will deduct any amount payable under the Earthquake Commission Act for the same event and for the same *insured property*, as cover under the material damage section will only apply in excess of any amount payable under the Earthquake Commission Act.

Your *natural disaster excess* payable for any claim will be reduced by any amount payable under the Earthquake Commission Act for the same event and the same *insured property*.

Your *natural disaster excess* will apply to the combined total of all *natural*

disaster claims under the material damage section and the business interruption section arising from any one event at each *situation*.

For the purposes of this extension:

- (i) "Earthquake Commission Act" includes the Earthquake Commission Act 1993 and any replacement Act or other statutory scheme providing insurance against *natural disaster*.
- (ii) the amount payable under the Earthquake Commission Act (as defined in this extension) is deemed to include the amount of any excess imposed by the Earthquake Commission Act.

Stock declaration MD025

The premium charged for cover on *stock* is provisional, and represents 75% of the full premium payable for the sum insured on *stock*. It is adjustable at the end of the current *period of insurance* in accordance with the following conditions:

- (a) Declarations of the actual value of the property insured held on the last day of each month within the *period of insurance* must be made to us not later than six weeks after the end of each month.
- (b) The sum insured on *stock* is the limit of our liability for *damage* to that property. If any monthly declaration exceeds that amount, then in computing the average of the monthly declarations, the sum insured will be included in place of the actual declaration for that month.
- (c) If no declaration is received for any one month, the specified sum

Material damage

continued

insured will apply in place of the declaration for that month.

- (d) The average of these monthly declarations will be computed at the end of the *period of insurance* and the actual premium payable will be assessed on that average (or on one half of the sum insured on *stock*, whichever is greater).
- (e) We will refund to you the amount by which the provisional premium exceeds the actual premium payable as calculated above. Alternatively, you will pay to us the amount by which the provisional premium paid falls short of the actual premium.
- (f) If, in any *period of insurance* you fail to furnish a minimum of 75% of the declarations required in terms of this extension the extension will cease to apply, and:
- (i) the premium will be calculated on the full sum insured; and
 - (ii) you must pay to us the amount by which the provisional premium falls short of that premium.

Refrigerated goods MD027

Notwithstanding exclusions 6.2 (f) and 6.2 (g) (Natural events and other Processes) we will cover you for:

1. *damage* to goods in refrigerated cabinets or chambers arising from *accidental* stoppage, *damage*, or malfunction of refrigerating plant. The words "goods in refrigerated cabinets or chambers" are deemed to include goods that are at the *situation* at the time of the loss causing event and that would, but for the event, have been placed

in the refrigerated cabinets or chambers; and

2. expenses reasonably incurred to avoid or minimise the *damage* insured by 1. above by either transferring the threatened goods to alternative storage or by other means;

provided that this extension does not cover *damage* due to the disconnection of the public electricity supply by the supply authority where prior notice of the disconnection has been given at the time of *damage*.

Our liability under this extension is limited to \$5,000 per cabinet or chamber and \$10,000 in any one *period of insurance* unless alternative amounts are shown in the *schedule*.

Theft MD028

Notwithstanding exclusion 2 (b) (Criminal Acts & Disappearance) we will cover theft, or any attempt at theft, but not theft by:

- (a) you or by any of your employees;
- (b) any fraudulent scheme or device or false pretence practised on you or on any other person having care of the *insured property*.

The theft *excess* shown in the *schedule* will apply to claims under this extension.

Transit – increased limit MD029

The automatic limit of \$25,000 is increased to the amount shown on the *schedule*.

Reinstatement MD033

This extension applies to those items or categories of *insured property* that are

shown on the *schedule* to be insured for Reinstatement.

In the event of any *insured property* to which this extension applies being lost or *damaged* the basis on which the amount payable under this material damage section (or under each item of the material damage section if the property is described under separate items) is to be calculated will be the cost of *reinstatement* of that property.

Insurance under this extension is subject to the special provisions set out below.

"*Destroyed*" means so *damaged* that the property, by reason only of that *damage*, cannot be repaired. For the avoidance of doubt, no *insured property damaged* will be considered *destroyed* for the purposes of this extension by reason only of any cost in reinstatement to comply with *regulations* which is not payable under this extension.

"*Equivalent building*" means a *building* or structure that is nearly as practicable the same as the *building* or structure lost or *destroyed*, using modern equivalent materials, skills and techniques that are readily available in the country that the lost or *destroyed building* is located in, and incorporating such alterations that are necessary to comply with any *regulations* that are in force on the date that the *damage* occurs, but subject to any limitations or exclusions to such *regulations* in this material damage section.

Where, as a result of any special circumstances no *building* or structure that falls within the scope of the paragraph above:

Material damage

continued

(a) can be constructed:

a *building* or structure that is designed to perform a purpose or function the same as or equivalent to (but not more extensive than) that performed by the *building* or structure lost or *destroyed*; or

(b) is suitable to *your* reasonable requirement:

then with *our* consent (which will not be unreasonably withheld), a *building* or structure that is designed to perform a purpose or function suitable to that requirement, but not more extensive than that performed by the *building* or structure lost or *destroyed*.

“Equivalent Plant” means any plant or equipment as nearly as practicable the same as or equivalent to the plant or equipment lost or *destroyed*, having regard to the current state of technology, and having an equivalent capacity to that of the lost or *destroyed* plant or equipment, but not greater capacity unless plant or equipment with an equivalent capacity is not available and the replacement plant or equipment has the nearest to an equivalent capacity.

“Reinstatement” means in respect of *insured property damaged*:

- (a) where property is lost or *destroyed*, its replacement by an *equivalent building* or by *equivalent plant* as the case may require; or
- (b) where property is *damaged* but not *destroyed*, the restoration of the *damaged* portion of

the property to a condition substantially the same as, but not better or more extensive than, its condition when new, using modern equivalent materials, skills and techniques that are readily available and which, if the property is a *building*, are readily available in the country that the *damaged building* is located in.

“Site” means a parcel of land owned or occupied by *you*.

Special provisions:

1. Compliance with *regulations*

The amount payable under this extension will include the cost incurred in *reinstatement* which is necessary to comply with any *regulations* that are in force on the date that the *damage* occurs.

Provided that the amount payable will not include any such cost:

- (a) to the extent to which the work had already been required of *you* by notice served before the happening of the *damage*; or
- (b) in respect of *undamaged* property or *undamaged* portions of property other than foundations (unless foundations are expressly excluded from the insurance under this material damage section) whether or not the *undamaged* property or portion comprises a separate *building* or structure or a separate item of plant or equipment; or
- (c) to the extent to which the work is required, whether in whole or in part, because *damaged* (but

not *destroyed*) property (or any portion of it):

(i) is an earthquake-prone building as described in the Building Act 2004 (and any substitution of, or amendment to, replacement of or statutory regulation made under this Act);

or

(ii) does not comply with any *regulations* applicable at the time of *reinstatement* in connection with:

- the seismic capacity of the property; or
- the performance of the property in an earthquake.

whether or not the work is also required in order to comply with any other *regulations*.

Notwithstanding any other provision in this extension or the material damage section, we are not liable to pay any cost incurred in *reinstatement* which is necessary to comply with *regulations* other than in accordance with the terms of this special provision.

2. *Site of reinstatement*

Where property is *destroyed* the work of *reinstatement* must be carried out on the same *site*. The work may be carried out upon another *site* only:

- (a) where *reinstatement* on the same *site* is not permissible by reason of any *regulations*; or

Material damage

continued

- (b) where *reinstatement* on the same *site* is not suitable to *your* reasonable requirements, in which case, and with *our* consent (which will not be unreasonably withheld), *reinstatement* may be carried out on an alternative *site* in the same country as the current *site*.
3. Limitations on amount payable
- (a) Where the work of *reinstatement* is carried out in terms of paragraphs (a) or (b) of the *equivalent building* definition, or on any location other than the original location at the same *site*, *our* liability in respect of the cost of *reinstatement* will not exceed the cost that would have been incurred had *reinstatement* been carried out in terms of the first paragraph of the *equivalent building* definition on the original location.
- (b) Where the *insured property* is *damaged* but not *destroyed*, *our* liability will not exceed the amount we could have been called upon to pay for *reinstatement* if the property had been *destroyed*.
- (c) *Our* liability under this extension in respect of any item or category of *insured property* at the *situation* will not exceed the lesser of the total sum insured at the *situation* or any other sum declared to *us* or included on the *schedule* in respect of that item or category of *insured property* at the *situation*. The sum insured adjustment for existing *damage* provided for in condition 7 (Sum insured adjustment for existing damage) will apply to all sums insured for reinstatement. In the case of *natural disaster damage*, the applicable sums insured will be those declared to *us* or otherwise specified on the *schedule* in respect of *natural disaster*, to which the sum insured adjustment for existing *damage* provided for in condition 7 (Sum insured adjustment for existing damage) will also apply.
4. Circumstances where this extension does not apply
- No payment, beyond the amount that would have been payable had this extension not been incorporated in this material damage section, will be made:
- (a) if *you* elect not to reinstate the property;
- (b) if the work of *reinstatement* is not commenced and carried out with reasonable despatch;
- (c) until the cost of *reinstatement* has been actually incurred; or
- (d) where a *building* or structure is *damaged*, but not *destroyed*, and the repair of the *damage* is not permissible by reason of any *regulations*, or by reason of the *undamaged* portion of the property.
- Where, by reason of any of these circumstances, no payment is to be made beyond the amount that would have been payable if this extension had not been incorporated in this material damage section, *your* and *our* rights and liabilities in respect of the *damage* will be the same as if this extension had not been incorporated in this material damage section.
5. Valuation of the property
- (a) Prior to the commencement of each *period of insurance*, and in respect of that period, *you* must provide *us* with a certificate by a valuer approved by *us* specifying the estimated cost of *reinstatement* (as defined in this section) of any item or items of *insured property* to which this extension applies.
- (b) The certificate must also contain such other estimates or information as *we* may reasonably require.
- (c) The sum to be insured under this extension in respect of each item will not be less than the amount specified in the certificate in respect of that item, unless *we* have agreed in writing to a lesser sum to be insured.

Average condition

Where *we* have written to advise that *your* policy is subject to a condition of average, and where *you* have not provided a certificate in accordance with paragraph 5.a above within one month of the commencement of the *period of insurance*, the following will apply.

If, at the time of *damage*, the sum insured is less than 90% of the cost that would be incurred in *reinstatement* of the whole of the item of property to which the sum insured applies were *destroyed*, then *you* will be considered as an *insurer* for the difference between the sum insured and the sum representing the cost of *reinstatement* of the whole of that item of property,

Material damage

continued

and must bear a rateable proportion of the loss accordingly.

6. Rates, tax and other charges

The amount payable under this extension will not include the amount of any rate, tax, duty, development charge, or any other charge or assessment arising out of capital appreciation, that may be payable in respect of the property by reason of compliance with any *regulations*.

Seasonal stock increase MD034

The sum insured on *stock* (if any) is automatically increased by the percentage shown in the *schedule* during the months shown in the *schedule*.

Residential multi unit MD698

This extension applies only in respect of *damage* to a residential *building* listed in the *schedule* which *you* own.

- i) temporary accommodation;
- ii) boarding out of *your* domestic pets or security dogs which *you* normally keep at the *situation*.

We will pay for the period *your unit* is *uninhabitable* up to a maximum of 12 months or \$35,000, whichever is the lesser.

automatic extension. *You* cannot claim under both of these automatic extensions.

2. Contents removal and storage

If we agree *your unit* that is occupied by *you* as a domestic residence becomes *uninhabitable*, we will also pay or reimburse *you* for the reasonable additional costs of:

- i) removing *your undamaged* contents to the nearest place of safe keeping;
- ii) storing *your undamaged* contents at that place;
- iii) returning *undamaged* contents to *your situation* described in the *schedule*.

The maximum amount we will pay is limited to \$1,000 for any one *unit* and \$10,000 in total for any one event.

3. Loss of rent

If we agree that *your unit* that is rented by *you* to a *tenant* as a domestic residence becomes *uninhabitable*, we will also pay or reimburse *you* for *your* loss of rent, provided that:

- i) *your unit* was occupied by a *tenant* at the time of the *damage*: or
- ii) at the time of the *damage*, *you* had a signed tenancy agreement for a new *tenant* to let *your unit* for

an ongoing period intended to be no less than 90 days.

We will pay:

- an amount equal to the average weekly rental *you* received for renting out *your unit* during the weeks it was rented in the 12 months prior to the *damage*, or where a tenancy agreement was signed prior to the *damage*, the amount of the weekly rental in the agreement; and
- any other costs incurred with *our* written consent.

We will not pay *your* loss of rent where the *unit* is not *uninhabitable*, or where *you* or *your tenants* choose to or are encouraged to move out of *your unit* while repair or rebuilding is effected.

The maximum amount that we will pay for *your* loss of rent is, for the period necessary to replace or repair the *unit* up to a maximum of 12 months, or \$35,000, whichever is the lesser.

If *your unit* is *uninhabitable* *you* can only claim under this automatic extension or under the Alternative Accommodation automatic extension. *You* cannot claim under both of these automatic extensions.

4. Cost of re-letting

If we agree that *your unit* that is rented by *you* to a *tenant* as a domestic residence becomes:

- i) *uninhabitable*; and
- ii) *your tenant* at the time of the loss or *damage* subsequently advises that they will not be reoccupying *your unit* they previously leased.

Material damage

We will cover you for *damage* to carpets, drapes and light fittings that are in common areas of the insured *building(s)*, whilst they are owned by you.

The maximum amount that we will pay is \$100,000 in total for any one event.

The indemnity provided by this extension will not increase our liability under this policy beyond the sum(s) insured shown on the *schedule* for the *damaged insured property*.

7. Margins clause

The amounts shown on the *schedule of insured property* are the sums insured declared by you for insurance purposes. Except where expressly provided to the contrary, our liability for *damage* to any item of *insured property* will not

exceed 105% of the sum insured shown on the *schedule* for that item up to a maximum of the total sum insured.

Any provision in this policy for our liability to be greater than the sum insured for any item does not apply to *natural disaster damage*.

"Uninhabitable" means the *unit* is no longer a safe or sanitary place to live, as determined by government or local authorities, or by *us*, due to physical *damage* to the *unit*, and where notice to this effect has been issued. It does not mean a disinclination by *you* or

your tenant(s) to remain in occupancy of an otherwise safe or sanitary *unit*.

"Unit" means each self contained part of the *buildings* designated for separate residential occupancy.

"You" or *"your"* means the Body Corporate named in the *schedule*, its registered owners and duly appointed secretary.

Business interruption

The indemnity

We will indemnify *you* for the resultant amount of loss if *your business* is interrupted or interfered with in consequence of *damage* at the premises during the *period of insurance*.

Our liability will not exceed the total of the sums insured under this section, or any sum insured or limit applicable to any insured item and / or *situation*.

We will not be liable for any loss under this business interruption section unless *your property damaged* at the premises is insured against such *damage* by the material damage section of this policy (loss arising out of *damage* by boiler or economizer explosion excepted) and liability has been accepted for such *damage*, or would have been but for the amount of any *excess*.

The insured items

Item 1 – Gross profit

The insurance under this item is limited to loss of *gross profit* due to:

1. reduction in *turnover*; and
2. increase in cost of working;

and the amount payable as indemnity is in respect of:

- (a) reduction in *turnover* – the sum produced by applying the *rate of gross profit* to the amount by which the *turnover* during the *indemnity period* in consequence of the *damage* falls short of the *standard turnover*; and
- (b) increase in cost of working – the additional expenditure (subject

to the provisions of memo 2) necessarily and reasonably incurred for the sole purpose of avoiding or diminishing the reduction in *turnover* that, but for that expenditure, would have taken place during the *indemnity period* in consequence of the *damage*, but not exceeding the sum produced by applying the *rate of gross profit* to the amount of the reduction thereby avoided;

less any sum saved during the *indemnity period* in respect of such of the charges and expenses of *your business* payable out of *gross profit* as may cease or be reduced in consequence of the *damage*.

Memo 1: If during the *indemnity period* goods are sold or services are rendered elsewhere than at the premises for the benefit of *your business* either by *you* or by others on *your* behalf the *money* paid or payable in respect of such sales or services will be brought into account in arriving at the *turnover* during the *indemnity period*.

Memo 2: If any charges and expenses of *your business* are not insured by this business interruption section (having been deducted in arriving at the *gross profit* as defined) then the increase in cost of working calculation will use that proportion only of the additional expenditure which the *gross profit* bears to the sum of the *gross profit* and all such uninsured charges and expenses.

Item 2 – Wages – dual basis

The insurance under this item is limited to loss in respect of *wages* and the amount payable as indemnity is in respect of:

1. reduction in *turnover*:
 - (a) during the *initial period* the sum produced by applying the *rate of wages* to the *shortage in turnover* during such period less any saving during such period through reduction in consequence of the *damage* to the amount of *wages* paid;
 - (b) during the remaining portion of the *indemnity period* the sum produced by applying the *rate of wages* to the *shortage in turnover* during the remaining portion of the *indemnity period* less any saving during such period through reduction in consequence of the *damage* to the amount of *wages* paid, but not exceeding the sum produced by applying the remainder percentage of the *rate of wages* to the *shortage in turnover* during the remaining portion of the *indemnity period* increased by such amount as is deducted for savings under clause 1.(a) above.

Note: At *your* option the *alternative period* may be substituted for the *initial period* provided that the amount arrived at under the provisions of clause 1.(b) will not exceed such amount as is deducted under clause 1.(a) for savings effected during the *alternative period*.

Business interruption

continued

2. increase in cost of working:

that amount of the additional expenditure described in item 1 clause 2. of the relative *gross profit* item as exceeds the amount payable under that item, but not more than the additional amount that would have been payable in respect of reduction in *turnover* under the provisions of clauses 1. (a) and (b) of this item had such expenditure not been incurred.

Item 3 – Wages in lieu of notice

The insurance under this item is limited to the loss incurred by you by the payment of *wages* for a period beginning with the *occurrence* of the *damage* and ending not later than the number of weeks thereafter shown in the *schedule*.

The amount payable as indemnity under this item will be the actual amount that you pay as *wages* for such period to employees whose services can not, in consequence of the *damage*, be utilised by you at all and an equitable part (based upon shortage of *turnover* or other index) of the *wages* paid for such period to employees whose services can not, in consequence of the *damage*, be utilised by you to the full.

Item 4 – Payroll

The insurance under this item is limited to loss in respect of *payroll* and the amount payable as indemnity is, in respect of:

1. reduction in *turnover*:

the sum produced by applying the *rate of payroll* to the *shortage*

in turnover during the *indemnity period*; and

2. increase in cost of working:

(b) in respect of additional expenditure – the additional expenditure necessarily and reasonably incurred for the sole purpose of avoiding or diminishing the loss of *rent receivable* which, but for that expenditure, would have taken place during the *indemnity period* in consequence of the *damage* but not exceeding the amount of the reduction in *rent receivable* avoided;

less any sum saved during the *indemnity period* in respect of such charges of your *business* payable out of *rent receivable* as may cease or be reduced in consequence of the *damage*.

Where the *indemnity period* is 12 months or more then in adjusting any claim an allowance will be made if, during the *indemnity period*, *turnover* is temporarily maintained from accumulated stocks held by *you*.

2. Additional premises

Loss arising out of interruption of or interference with *your business* in consequence of *damage* to property at additional premises in New Zealand that *you* use or acquire for the purposes of *your business* will be considered as loss arising out of *damage* to property used by *you* at the premises

Provided that:

- separate business interruption insurance in respect of such

premises will not have been arranged; and

The provisional premium will be adjusted at the agreed rate on such actual amounts, or a multiple of such amounts if the *indemnity period* exceeds 12 months, by payment to *us* of an additional premium or by a return of premium to *you* as the case may be. If a return of premium is due, it will in no case exceed 50% of the provisional premiums charged for the items.

In the event of a claim occurring during the *period of insurance* the amount paid or payable for the loss in respect of the period will be regarded as actually earned.

4. Alternative index

In the event of a claim under this business interruption section adjustments may be based on "turnover" or "output" or whatever other index of business activity affords the most equitable result.

- (b) the amount payable under this business interruption section for all insured items or interests in consequence of that *damage* will be calculated on the basis that references in the policy to the date of the *damage* are deemed to be references to the date of the commencement of the *indemnity period*. The *standard adjustments* will apply such that the final adjusted figures will represent as nearly as may be reasonably practicable the results that would have been obtained during the deferred *indemnity period* but for the *damage*, subject to c) and d) below;
- (c) if prior to or during the *indemnity period* goods are sold or services are rendered elsewhere than at the premises for the benefit of *your business* either by you or by others on your behalf the money paid or payable in respect of such sales or services will be brought into account in arriving at the *turnover* during the *indemnity period*;

the *indemnity period*, the amount of the increase will be subtracted from the reduction in *turnover* during the *indemnity period*.

Our liability is limited to the unexpired value of the lease goodwill at the date of *damage* calculated by reducing the purchased value of the lease goodwill pro-rata according to the proportion of the term of the lease which has elapsed at the date of *damage*, provided that, if you are able to obtain suitable alternative premises for the purpose of the *business* after the termination of the Lease by the Lessor then, after calculation of the loss of lease goodwill as set herein, this amount shall be reduced to a figure which shall represent as nearly as reasonably practicable the actual loss of lease goodwill.

- loss of *gross revenue* – the amount by which the *gross revenue* during the *indemnity period* will, in consequence of the *damage*, fall short of the *standard gross revenue*;
- increase in cost of working – the additional expenditure necessarily and reasonably incurred for the sole purpose of avoiding or diminishing the loss of *gross revenue* which but for that expenditure would have taken place during the *indemnity period* in consequence of the *damage* but not exceeding the amount of the reduction in *gross revenue* thereby avoided;
- less any sum saved during the *indemnity period* in respect of such of the working expenses and standing charges of *your business* as may cease or be reduced in consequence of the *damage*.
- The following definitions will apply:**
- Gross revenue* – the money paid or payable to you for work done and for services rendered in the course of *your business* at the premises.
- Annual gross revenue* – the *gross revenue* during the twelve months

continued

immediately before the date of the *damage*.

Standard gross revenue – the *gross revenue* during that period corresponding with the *indemnity period* in the twelve months immediately before the date of the *damage* appropriately adjusted where the *indemnity period* exceeds twelve months.

(Annual and *standard gross revenue* are subject to any *standard adjustments*)

Natural disaster BI031

The word *damage* as defined in this policy (including under the contingent business interruption extension) extends to include *natural disaster damage*.

Section exclusion 5.1(c) (Natural events and other processes) is consequently amended to delete reference to *natural disaster*.

Our liability under this business interruption section in any one *period of insurance* in respect of loss resulting from interruption or interference with *your business* in consequence of *natural disaster damage* will not exceed the total of the sums insured under this section for *natural disaster*, or any sum insured or limit for *natural disaster* applicable to any insured item and/or *situation*.

In respect of each *situation* each *natural disaster* loss or series of losses arising out of:

(a) one event; or

(b) a series of events arising from any one cause during any period of 72 consecutive hours

will be adjusted separately net of salvage and other recoveries.

Fire only BI033

The indemnity provided is restricted to interruption of or interference with *your business* resulting from *damage* to the *insured property* directly caused by fire.

Burglary BI034

We will cover *you* for interruption of or interference with *your business* in consequence of loss or *damage* resulting from theft or from any attempt at theft following forcible and violent entry to or exit from any enclosed *building* or from theft or any attempt at theft accompanied by violence or threat of violence to persons.

Commercial motor

The indemnity

We will indemnify you for loss or liability as defined by Part 1 and Part 2 as applicable occurring during the *period of insurance*.

Scope of cover

As shown in the *schedule* under "Type of cover":

Comprehensive – means all parts of this commercial motor section apply.

Third party – means only Part 2 and the uninsured third party protection extension under part 1 of this commercial motor section apply.

Third party fire and theft – means Parts 1 and 2 of this commercial motor section apply, however in respect of Part 1 cover is restricted to loss directly caused by fire, lightning, explosion, theft or illegal conversion and loss covered by the uninsured third party protection extension.

Description of use

Cover only applies while the *insured vehicle* is in New Zealand and is being driven by or is under the control of you, or any person using the vehicle with your consent provided they meet all legal requirements to drive the vehicle:

- (a) in the course of your business or occupation stated in the proposal or submission; or
- (b) in the course of a business or occupation comparable with your own stated in the proposal or submission and having been temporarily lent out without charge by you.
- (c) for private social or domestic purposes, provided the insured

vehicle is used mostly in connection with your business unless otherwise notified to us.

Part 1 – Loss to the insured vehicle

We will indemnify you for loss to the *insured vehicle* occurring during the *period of insurance*.

We will at our option repair, replace or make a cash payment in accordance with the basis of settlement where an *insured vehicle* suffers loss. We will also pay the reasonable costs of having the *insured vehicle* removed to the nearest repairer or place of safety following an *accident*.

In respect of transit between the North and South Islands this Part includes general average and salvage charges payable according to foreign statement or York Antwerp rules if in accordance with the contract of affreightment or rules and regulations and *Acts* governing the carrier.

Basis of settlement

Unless otherwise specified in Part 1 or in any endorsement or extension the limit of our liability is as follows:

Market value / sum insured

We will pay the lesser of the *market value* of the *insured vehicle* or the sum insured shown in the *vehicle schedule*.

Agreed value

If any *insured vehicle* is subject to the *agreed value* option shown in the *vehicle schedule* then in the event of a total loss or a constructive total loss we will pay the sum shown in the *schedule*.

Repairs and parts availability

If your *insured vehicle* needs to be repaired we will pay the lesser of the latest New Zealand price of identical parts or accessories for the vehicle or the cost of making a new part. Where no such list applies the most we will pay will be the lesser of the last known list price in New Zealand or the price of the part's closest New Zealand equivalent or the cost of making a new part.

If the repair makes a substantial improvement to the condition or value of the *insured vehicle* before the loss you may be required to make a contribution towards the cost of repairs.

Leased vehicles

If the *insured vehicle* is leased and we agree it is a total or constructive total loss and we choose not to replace the vehicle, we will pay the reasonable *market value* or the residual value, whichever is the greater amount, up to an amount no more than the *market value* of the *insured vehicle* plus 20%.

The residual value for the purposes of this clause means the agreed estimated value of the *insured vehicle* or the final book value at the natural expiry date of the lease contract, as set out under the terms of that contract.

No settlement under this clause will include any:

- (a) penalty for early termination;
- (b) penalty for any additional distance travelled;
- (c) unpaid obligations or outstandings;

Commercial motor

continued

- (d) penalty resulting from lack of or poor servicing or maintenance;
- (e) balloon payment or residual value payment.

Excess

Part 2 – Liability to third parties

We will indemnify *you* against legal liability for *damages* and *defence costs* resulting from an *accident*, that occurs during the *period of insurance*, caused by or in connection with any *insured vehicle*, including while it is being loaded or unloaded, in respect of:

- (a) death of or *bodily injury* to any person;
- (b) loss of or *damage* to physical property;
- (c) loss of or *damage* to personal baggage and wearing apparel of any passenger.

The limit of *our* liability is the amount shown on the *schedule* for liability to third parties (inclusive of *defence costs* and *expenses*) in respect of any *one claim* or claims arising directly or indirectly from any one loss.

If the indemnity provided under this part is insufficient to indemnify both *you* and any other person entitled to cover under this commercial motor section it will apply in priority to *you*.

Automatic extensions

These automatic extensions form part of this commercial motor section and are subject to all its provisions (unless otherwise stated).

If there is any conflict or inconsistency between this commercial motor section and the extension, only the extension will apply. If there is any conflict or inconsistency between the extensions, only the more particular extension will apply.

- (b) there is no cover for the amount of any excess shown in the *schedule*.

- (b) prevents or impedes the legitimate passage of the *insured vehicle*.

For the purpose of this extension exclusion 13 (Not being used as a vehicle) of Part 2 relating to loss to property in the custody or control of any person claiming indemnity will not apply to the vehicle being moved. The exclusions in this commercial motor section will apply to the vehicle being moved as if it was an *insured vehicle*.

24. Reparation

Notwithstanding exclusion 12 (Fine and penalties), we will cover you against legal liability to pay an award of *reparation* in respect of death, *bodily injury*, or *loss* or *damage* to physical property happening during the *period of insurance* as a result of an *accident* caused by or in connection with any *insured vehicle*, including while it is being loaded or unloaded.

Conditions

Refer also to the general conditions of this policy.

1. Care of motor vehicle

You must take all reasonable steps to prevent *loss* and maintain the *insured vehicle* in good repair. We will always have the right to examine the *insured vehicle*.

2. Modifications

You must tell *us* of any modifications that have been made to the manufacturer's standard specifications for the *insured vehicle*.

3. Other interested parties

If the *insured vehicle* is financially encumbered and the interested party is named in the *schedule* the proceeds of any valid claim will be payable to each such interested party in the order of their legal priorities and their receipt will be sufficient discharge, provided *our* total liability will be limited to such amount as would have been payable to *you* in the absence of this condition. 5. What you need to know about making a claim

For motor claims *you* must also:

- (a) obtain *our* approval before proceeding with repairs;

- (e) *notify us* immediately if *you* or any other person entitled to cover under this commercial motor section for *reparation* is charged with any offence in connection with the use of the *insured vehicle* or any other vehicle which has resulted in *loss* or *damage* to physical property or death or *bodily injury* to another person; and

We will be entitled at *our* expense and in *your* name to take any proceedings necessary to obtain relief from any other party, and to take over and conduct the defence and settlement of any claim against *you* or anyone else *we* insure under this policy for *damages*. *You* must provide

all reasonable assistance and co-operation.

If any person is ordered to make *reparation* to *you* or anyone else *we* insure under this policy for *loss* or *damage* to any property for which *we* have paid a claim under this policy, then *you* must tell *us*. Any payments received must first reimburse *our* claims payment up to the amount of any *reparation* received.

If the *insured vehicle* is mortgaged or secured by any other financial agreement *we* may make payment for any *loss* direct to the interested party. This will meet *our* obligations under this commercial motor section.

If *we* make any payment in respect of the total loss (or constructive total loss) of any *insured vehicle*, the cover granted by this commercial motor section on such *insured vehicle* ceases entirely from the date of such *loss* and no premium will be refundable for the unexpired *period of insurance* in respect of that *insured vehicle*. The *insured vehicle* then becomes *our* property.

If a claim is made for total loss following theft of the *insured vehicle* *we* may consider allowing time for the stolen vehicle to be recovered and elect not to consider settling *your* claim until the expiry of a period of 30 days from the date of reporting the loss to *us*.

Additional extensions

Each of the following extensions will have no effect unless there is a statement in the *schedule* that the particular extension will apply. They

are subject to all the provisions of the policy and of this commercial motor section (unless otherwise stated). If there is any conflict or inconsistency between this commercial motor section and the extension, only the extension will apply. If there is any conflict or inconsistency between extensions, only the more particular extension will apply.

We may settle any *claim* with *your* consent, or where settlement is recommended by a senior counsel in accordance with condition 7 (Senior counsel) of this employers liability section.

If however consent to such settlement is still withheld by *you* our liability for the *claim* will not exceed the amount for which the *claim* could have been settled plus *defence costs* incurred with *our* consent up to the date such settlement was recommended.

4. Excess

The *claim* will be adjusted net of the *excess* shown in the *schedule* which *you* must contribute as the first amount of any *claim*.

A single *excess* will apply to all *claims* alleging a *single personal injury*.

5. Limits of indemnity

The total amount payable in any one *period of insurance* by *us* under this employers liability section (including automatic extensions and endorsements) on *your* behalf in respect of all *damages* and *defence costs* arising out of all *claims* will not exceed the limits of indemnity shown in the *schedule* for this employers liability section of the policy.

6. Notification of circumstance

If during the *period of insurance* any of *you* become aware of any facts or circumstances that may give rise to a *claim* against *you*, and such facts or circumstances are *notified to us* during the *period of insurance*, any *claim* that may subsequently arise out of those facts or circumstances will be deemed to have been first made against *you* during the *period of insurance* and *notified to us* during the *period of insurance* in which the facts or circumstances were *notified*.

7. Senior counsel

If *you* and *we* disagree as to whether a *claim* should be settled or defended, a senior counsel (to be mutually agreed upon by *you* and *us*) will be appointed to recommend whether to settle or defend the *claim*. The senior

counsel will take into consideration the economics of the matter, costs that are likely to be recovered by the prosecuting authority, the likely *defence costs* and the prospects of *you* successfully defending the action. The cost of the senior counsel's opinion will be paid by *us* and will be payable in addition to the limits of indemnity shown in the *schedule* for this employers liability section.

8. Severability and non-imputation of proposal and policy

The proposal or submission will be construed to be a separate application for cover by each of *you*.

For the purpose of determining the availability of cover with respect to *claims* made against any of *you*, no fact pertaining to, no statement or declaration made in the proposal or submission, no state of mind or knowledge possessed and no failure to comply with the general and *claims* conditions by one of *you* will be imputed to any other of *you*.

9. Take-over

If, during the *period of insurance* a *take-over* occurs the cover provided under this employers liability section of this policy is amended to apply only to *personal injuries* occurring before the effective date of the *take-over*.

Statutory liability

The indemnity

Insuring clause A – Entity liability

We will pay on *your* behalf any *fine* under an Act and *defence costs* arising out of a *claim* made against *you*, provided that:

- (a) *you* first become aware of the *claim* during the *period of insurance*; and
- (b) the *claim* is notified to *us* during the *period of insurance* or within 30 days after the end of the *period of insurance*; and

We will pay on *your* behalf any *fine* under an Act and *defence costs* for which *you* are lawfully permitted or required to indemnify, and have agreed to so indemnify, an *insured person* arising out of a *claim* made against an *insured person*, provided that:

- (a) the *entity* and/or the *insured person* first becomes aware of the *claim* during the *period of insurance*; and
- (b) the *claim* is notified to *us* during the *period of insurance* or within 30 days after the end of the *period of insurance*; and

However, we will not pay any *fine* or *defence costs* arising out of any *claim* to the extent that the *entity* has indemnified an *insured person* for the *fine* or *defence costs*.

Automatic extensions

These extensions form part of this statutory liability section and are subject to all its provisions (unless otherwise stated). The total of all payments made under these automatic extensions will be part of and not in addition to the limits of indemnity for this statutory liability section unless otherwise stated. Any reference to *claim* in these extensions will mean any *claim notified to us* during the *period of insurance* or within 30 days after the end of the *period of insurance*.

If there is any conflict or inconsistency between this statutory liability section and the extension, only the extension will apply. If there is any conflict or inconsistency between the extensions, only the more particular extension will apply.

1. Acquittal

No excess will apply and we will reimburse any *defence costs* paid by *you* including where it was alleged that *you* intentionally, knowingly, or wilfully committed an *occurrence*, in the event of:

- (a) an *acquittal* of all of *you*; or
- (b) a dismissal or a withdrawal of the prosecution of the offence without the payment of any *fine* by any one of *you*.

Provided however that in the case of (b) above such reimbursement will occur 90 days after the date of dismissal or agreement to withdraw the prosecution as long as no *claim* alleging the same or any related *occurrence* is again brought within that time. Reimbursement will also be subject to an undertaking by *you* in a form acceptable to *us* that such reimbursement will be paid back by *you* to *us* in the event that a *claim* alleging the same or related *occurrence* is brought after the 90-day period.

Statutory liability

2. Advancement of defence costs

We will advance *defence costs* to you as and when they are incurred before the final disposition of the *claim*. Such payments will be repaid to us by you severally, according to your respective interests, in the event and to the extent that the *claim* is in fact determined not to be covered or is resolved on terms or in a manner that excludes it from cover under this statutory liability section.

3. Continuous cover

Notwithstanding exclusion 7 (Prior claims and known circumstances) of this statutory liability section, where:

- (a) you first became aware of any *claim*, or fact or circumstance as described in Claims Condition 3, after the *continuity date* and before the *period of insurance*; and
- (b) you do not *notify us* of such *claim*, or fact or circumstance, until a date during the *period of insurance* or within 30 days after the *period of insurance*;

- (ii) provided that we have been your statutory liability insurer continuously from and after the *continuity date*;

we will accept notification of such *claim*, or any *claim* arising from such

facts or circumstances, during the *period of insurance*.

4. Preservation of indemnity

In the event and to the extent that the *entity* is permitted or required to indemnify any *insured person*, but for whatever reason fails or refuses to do so, we will pay on behalf of the *insured person* the *fine* and *defence costs* in accordance with insuring clause C. In such event the excess shown in the *schedule* applicable to insuring clause B will be paid by the *entity* to us. In the event of the *entity* being placed in liquidation (other than voluntary liquidation), no excess will apply.

Optional Extensions

Each of the following extensions will have no effect unless there is a statement in the *schedule* that the particular extension will apply. They are subject to all the provisions of the policy and of this statutory liability section (unless otherwise stated). If there is any conflict or inconsistency between this statutory liability section and the extension only the extension will apply. If there is any conflict or inconsistency between extensions only the more particular extension will apply.

Refer also to the general conditions of this policy.

For the purpose of determining the availability of cover with respect to claims made against any of you, no fact pertaining to, no statement or declaration made in the proposal or submission, no state of mind or knowledge possessed and no failure to comply with the general and claims conditions by any one of you will be imputed to any other of you.

7. Take-over

If, during the period of insurance a take-over occurs, the cover provided under the statutory liability section of this policy is amended to apply only to occurrences taking place before the effective date of the take-over.

Machinery breakdown

The indemnity

We will indemnify you for damage to machinery that occurs during the period of insurance.

The insurance will only provide indemnity while the machinery is:

- (a) working or at rest; or
- (b) being dismantled, moved, reassembled, or reinstalled for the purpose of cleaning, inspection, adjustment, repair, overhaul or relocation;

within the boundaries of the situation, and will only commence after completion of a successful initial commissioning of the machinery at the situation.

Subject to the reinstatement of amount of insurance condition our liability will not exceed the sum insured; or where more than one item is insured will not exceed in respect of each item the sum insured applicable to that item.

Sum insured

The sum insured for each item at the commencement of this insurance or any subsequent renewal must not be less than the new replacement value.

If in respect of any item the sum insured declared is less than the correct amount, the amount recoverable by you under this machinery breakdown section will be reduced in such proportion as the sum insured bears to the new replacement value.

Basis of indemnity

At our option we will provide indemnity to you by payment or by repair or by replacement of the damaged machinery and by payment of any insured costs.

1. Where damage to an insured item can be repaired we will pay all expenses necessarily incurred to restore the damaged item to its state of serviceability immediately before the damage. If the repairs are executed by your own staff we will only pay the cost of materials and wages incurred for the purpose of the repairs plus a reasonable allowance to cover overhead charges.

If any parts are unprocurable our liability for these parts will be limited to the manufacturer's or supplier's latest list price.

2. Where an insured item is totally destroyed we will at our option:
 - (a) pay the actual value of the item immediately before the damage which is calculated by deducting reasonable depreciation from the new replacement value of the item; or
 - (b) supply an equivalent replacement item similar in type, capacity and condition to the insured item immediately before the damage and pay any costs for ordinary freight and installation.

An insured item will be deemed to be totally destroyed if the cost of repairs permitted by paragraph 1 equals or exceeds the actual value

of the insured item immediately before the damage.

3. In the event of damage to a motor which has a capacity under 5.6kw (7.5hp) and on which a repair is either not practicable or not carried out depreciation will be deducted from the sum insured applicable at the rate of 15% per annum for each year, or part of a year, elapsed in excess of two years.

For the purpose of this paragraph a motor includes any associated or ancillary items (such as but not limited to pumps, fans, compressors, control panels) forming an integral part of a machine if such items are more than two years old.

However:

- (a) the maximum deduction will not exceed 80% of the applicable sum insured; and
- (b) no deduction will be made for any insured costs incurred for labour or freight.

Automatic extensions

These automatic extensions form part of this machinery breakdown section and are subject to all its provisions (unless otherwise stated).

If there is any conflict or inconsistency between this machinery breakdown section and the extension, only the extension will apply. If there is any conflict or inconsistency between the extensions, only the more particular extension will apply.

Proviso (b) will not apply to any *machinery* in respect of which the alteration or modification has been *notified to us* and we have agreed in writing to continue the insurance notwithstanding that alteration or modification.
